

New Lenox Lions Score Third Success

The New Lenox Lions club's 3rd annual show "Cavalade of Stars" came to a highly successful conclusion last Saturday night.

The talent show was held in the Haven school in New Lenox on Friday and Saturday nights of last week. Outstanding performances were given on both nights by such headline stars as Marge Berens, organ renditions; Mary Greenman, dramatic sketches, Marlene Born, Miss Illinois of 1951, tap routines; Norma Palmer, accordion selections; Chuck Brien, comedy sequences and the Will County Rural Chorus who presented their unusually fine repertoire of popular selections.

In addition to these stellar attractions, a talent contest was held on the two nights with the contestants vying for \$200.00 in Savings Bonds as prizes. The talent show on Friday night consisted of vocalists Kay Miller, Diane McCleary, Mario Sabec, Janice Fitzgerald and Sandra Tromotola; magician, Richard Krog, instrumentalists, Rodney Kinkaid, Phyllis Stevens, Billy and Tommy Fitzgerald and a grade school swing band comprised of Laverne Ulrich, Tommy Roswell, Stanley Bruns, Dick Batson, Diane Batson, Dennis Becker and Everett Long known as "The Seven Notes". This group won the prize for their efforts on Friday night.

Saturday night's talent show gave the audience Dave Palmer, Nancy D'Arzio, Leatha and Norma Kinkaid, Florence Cruise-Joan and Marty Kern known as "The Triad", as vocalists; Patricia Ivnik and Karen Galle, tap routine; Pat Metzger and Jin Talirico, tap routine; Sharon Wolf, pianist and Don Cordano's instrumental trio. Cordano's group won the prize in the Saturday night contest.

The winner of the grand prize was Don Cordano after his group and the "Seven Notes" battled for the favor of the audience. All decisions in the talent shows were made with the use of an "Applause Meter."

Miss Betty Jo Oster was the winner in the Lions club's popularity contest with Miss Norma Palmer, Miss Janette Warning and Miss Cici Baers respectively, running very close as the voting came to an end.

Miss Marlene Born, Miss Illinois of 1951, officiated in the coronation ceremonies and conferred the crown and title of "Queen of The New Lenox Lions Club" upon Miss Betty Jo Oster who will receive \$100.00 in Savings Bonds.

Lewis Loebe, general chairman and master of ceremonies of this year's Lions show, was ably assisted by Charles Carnahan, publicity; Sheldon Hauck, programs; Roy Dowle, tickets; Lou Tavrog, refreshments; Elmer Goldenstern, stage lighting.

The all important behind-the-scenes activities were efficiently handled by Roy Pfeiffer, Bill Henderson, John Oster, Neatus Wilson, Fred Feil, Art Feil, George Schlottner, "Doc" Webb, Stewart Ayers and John Peterson.

The Lions Club of New Lenox wishes to express its sincere thanks to all who supported this activity.

TO BE MARRIED SAT.

Mr. and Mrs. Ben Young of Tinley Park announce the approaching marriage of their daughter Dorothy to Mr. Kenneth Fulton, son of Mr. and Mrs. Clarence Fulton of Tinley Park. The ceremony will take place Saturday evening, March 29 in St. John's Evangelical and Reformed church at Mokena at 7:30 o'clock. A reception will be held in the VFW hall in Mokena immediately following.

All friends and relatives are invited to attend both the wedding and reception.

VOTERS INVITED TO MEET GOP CANDIDATE ROWE

A public reception will be held in the Louis Joliet hotel Saturday afternoon honoring Richard Yates Rowe, Republican candidate for governor. The hours will be from 2 to 4 o'clock and all voters are invited to attend. Refreshments will also be served. Mr. Rowe plans to spend the entire day in Joliet where he will visit with the voters. He will be accompanied by Mrs. Rowe.

Paul Larson is chairman of the Rowe campaign in Will county and Dr. Elmer Stephens is general chairman of the Saturday affair.

Mr. Rowe, in a broadcast Monday night over WGN, declared that the people of Illinois are "sick and tired of some politicians of both parties, because of graft, corruption and inefficiency." He said the public is looking to somebody or some party to come forth with an honest, businesslike proposition to clean things up.

"Neither I nor any other Republican will be elected Governor because we are against this or that. We will be elected only because we stand for something," he said, and then launched into details of his program designed to eliminate and smash graft and corruption and install business methods in state government.

The Illinois Budget can be cut millions of dollars and this can be done without sacrificing any part of the necessary functions of state service. It can only be done one way that is by attacking the source of spending.

These sources are in the Department, Commissions, Boards and Divisions of State Government. These Millions of Dollars are expended for jobs, travel, commodities, printing, supplies, equipment, etc. So the only way, millions of dollars can be lopped off the budget is to eliminate jobs, travel, printing, and by not buying commodities, supplies and equipment. To say otherwise is lying.

The State Government last year spent more than it took in. The total of jobs in State service is on the increase. If service is continued, the inevitable must happen, resulting in an increase in the sales tax from 2 cents to 3 cents.

Scion of Mokena Family Wins Honors

Ron Nelson, who is a descendant of a Mokena pioneer family, has received the highest honor ever given to a composition major student in the Eastman School of Music at Rochester, New York. JOE KOHL, 78, TAKEN BY DEATH

The news of the death of Joseph Kohl, who passed away in Silver Cross hospital Tuesday evening at 8 o'clock, comes as a shock to his many friends in Mokena and territory. It was just a few weeks ago on March 2 when he and his wife celebrated their golden wedding anniversary.

Monday morning, March 17, Mr. Kohl fell in his yard at his home, caused by a severe heart attack. He was removed at once to the hospital where he was administered oxygen and he quietly passed away in his sleep Tuesday evening.

Mr. Kohl, who was born February 9, 1874 in Frankfort township, had an active and colorful career. His parents, Mr. and Mrs. Andrew Kohl both died during his infancy and his un-

Joseph Kohl
cle and aunt, Mr. and Mrs. Joseph Kohl, took him into their home as their own.

It was February 27, 1902 when he was united in marriage with Miss Mary Kuech. They farmed in Frankfort township for many years. In 1917 they moved back to the home of his childhood on LaPorte road where he has lived since.

Mr. Kohl served as Frankfort township assessor for 37 years, from 1912 to 1949. He was secretary of the Frankfort-Mokena local of the Pure Milk association for 17 years from 1925 to 1942, and in 1933 he was elected director of the Will County Farm bureau, during which time he served on Governor Horner's department of adjustment committee for four years.

In the leading role of Corliss Archer is Miss Marys Stone, daughter of Mr. and Mrs. Frederick G. Stone. Marys is a junior at JTHS and has been a resident of New Lenox for a year.

A lovely teen-ager, Marys portrays Corliss with all the delightful charm associated with the lovable character popularized through radio and stage adaptations of F. Hugh Herbert's books about the younger generation and their bewildered parents.

Joliet Editor Guest Speaker at Mokena Civic Association

A salesman stopped at a dilapidated, broken-down uncared-for hovel and said to the old man sitting on the porch, "This place of yours is just about the worst I've ever seen in the whole state," whereupon the old man replied, "I ain't as bad off as you think—I don't own the place!"

Mr. Dan Albrecht, managing editor of the Joliet Herald News started his speech to the Mokena Civic association last week with this story, to point up the responsibilities of citizenship. We are all tenants in the community in which we live, though we own the property and live thereon till we die, he said, our stay is only temporary, and our contributions to the community are assessed by the next generation. Mr. Albrecht said our community should make sound plans for the future as he believes the southwest Chicagoland area is due for the greatest rate of growth in the next decade; business opportunities, standard of living and educational opportunities are all tied together. He declared, in considering our school problems, we must not short-change the children.

Other business at the Mokena Civic association was a report by Bill Dalton, adviser, and Bruce Shoop, secretary, of the activities of the newly reactivated Explorer Troop No. 40, Boy Scouts of America. The 22 members of the Troop submitted a request for \$75.00 for large expenses in their annual budget, such as first-aid and camping equipment. After due discussion the request was granted and the Troop commended for its excellent growth.

The sum of \$25.00 was subscribed to the current Red Cross campaign.

The following persons were named to standing committee appointments. Social and Recreational, Virginia Sherwood; Program and membership, Milton Geuther, Henry Shevlin and Ed Hentsch; Publicity, Marcella Lehmann; New enterprise and business development, Glenn Vally; Institutional representative to Girl Scouts, June Hentsch to Boy Scouts, Harley Mann.

In a previous announcement about the public bulletin board, erected by the Mokena Civic association at the corner of Mokena and Front streets, we forgot to mention that the wood for this structure was donated by the Welsch Lumber company—Marcella Lehmann, publicity.

Mrs. Freida E. Stellwagen, 78, of Frankfort, who has been ill for a long time, passed away in Silver Cross hospital last Friday March 21.

She lived all her life in Frankfort having been born on the farm of her parents, Frederick and Katherine Maue Gatter July 13, 1873. After her marriage with Phillip J. Stellwagen on March 14, 1900, they continued to live on the same farm, her parents having moved to the village.

After the death of her husband in 1947 she made her home with her niece and husband, Mr. and Mrs. Emil Groth who live on the same farm, except for about one and a half years when she lived in the home of her parents in Frankfort.

A son was born to her and her husband who died in 1934.

Surviving are four nieces, Mrs. Groth, Mrs. Henry Bettenhausen of Tinley Park, Mrs. Vera Smith Joliet, and Mrs. Robert French, Mokena; three nephews, Ralph and Earl Stellwagen, Mokena and Ezra Marti, Herscher.

EXPLOSION IN DAD & LAD CO. AT NEW LENOX DESTROYS BUILDING

Three Fire Depts. Battle \$10,000 Blaze; Two Escape Injury; Will Rebuild

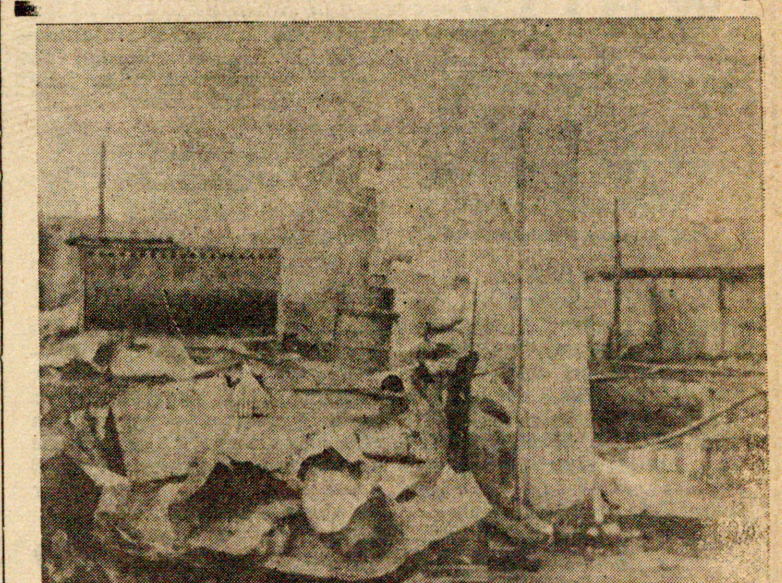

Neighboring fire departments of Frankfort, Mokena went to the aid of the New Lenox fire department last Thursday morning when an explosion occurred in the manufacturing plant of the Dad and Lad company, in New Lenox.

The explosion occurred about 10 a.m. as Earl Ullrich, 35, was working over a large tank preparing material to be processed when suddenly the tank became enveloped in fire following the explosion. Mr. Ullrich, with a loud voice, yelled "Fire" which brought men from other buildings at once to the scene. Only

when a pressure tank of fuel oil exploded within the burning building.

A new kettle of double capacity was in the adjoining building to the north waiting to be installed, and it was not damaged as could then be ascertained. It is thought the damage will amount to \$10,000 or more and is partially covered by insurance.

The industry which was the manufacturing of roof cement and roof coating, was established by C. R. Miller in Chicago in 1922 and moved to New Lenox in 1928 and has been a flourish-

—Polaroid Land Camera

the quick response of the fire departments with their tanks of water prevented the fire from extending to the other buildings. As New Lenox does not have village water, where fire hydrants could be attached, water had to be brought to the scene by the fire departments. The fire men showed great ability in fighting such a furious blaze with only one building destroyed and another damaged.

In the picture the 200 gallon kettle is shown which cooks the asphalt and oils housed in the building 40x16 feet. It is built of metal sides and roof. Earl Ullrich can be seen manning a hose on a few smouldering embers. It is miraculous that Mr. Ullrich is able to do this, for having been caught in the enveloping flames, the only damage he received was a little singeing of his hair beside shock.

Richard Sayers, a New Lenox fireman, suffered injury to his right hand and was shaken up

ing business since. In January of this year Mr. Miller sold it to Wilbur Dyer of Joliet.

Mr. Dyer is well qualified to manage such an establishment, having taught physics in DePaul university in Chicago for several years. Later he went to the Lewis College at Lockport where he was dean for six years. At times there he assisted in the teaching of physics also. He was at one time a director on the board of the John Puhl Products in Chicago which manufactured Bo-Peep ammonia etc.

Mr. Dyer is making plans to rebuild at once, a larger and more fireproof building. He states that he is happy that his store house is filled so that he can take care of the normal spring orders for Dad & Lad products. Mr. Dyer also stated he is most grateful to the three fire departments who came to his aid, for without them the other buildings could not have been saved.

Quick Police Action In N. L. Burglary

Earl Schroeder, proprietor of the Standard Oil filling station, at New Lenox, was first apprised of a burglary which occurred at the station Saturday night, when deputies office were sent county sheriffs office were sent to investigate the robbery. Three Chicago youths were picked up at River Forest after they had broken into a gasoline station there and were about to enter. Officers in a squad car, who picked them up for questioning, found about 90 packages of cigarettes in their car and the boys admitted having taken them at New Lenox.

The three, Anthony DeSantis, 19, of 6460 Milwaukee avenue, Julius Lidik, 17, of 6014 N. Melvina avenue, and Warren Brandau, 19, of 3648 Lake Shore drive signed statements admitting the burglary. They were arraigned Monday before Justice of the Peace, Anthony Mackay, charged with burglary, in a warrant signed by Schroeder. Their bonds were set at \$5,000.00 each.

According to a report made by deputy sheriffs, Gerald Bispington and Stanley Drake, entrance to the New Lenox establishment was gained by breaking a hole near the latch of a window at the east side of the building. They left from the north side.

The trio are being held in the county jail in Joliet for the robbery which netted \$5.60 in cash, a case of oil and 90 packages of cigarettes.

A Check on John M. King's Record

The editor of the Daily Journal of Wheaton wrote and published the following article about John M. King, who is seeking re-election as state representative from the Will-DuPage district in the issue of March 20.

OBSERVATIONS
By Bob Smith

BY THIS TIME, many readers of this column will have received one or more pieces of campaign literature intended to "expose" John M. King's voting record in the last session of the state legislature.

THE LITERATURE, distributed both by mail and hand-to-hand, does nothing more than expose either the ignorance or the bad faith of whoever prepared it.

FOR ENOUGH OF IT is either false or misleading so that it will eventually boomerang and do Mr. King a great deal of good in his campaign for re-election as representative from the 41st district.

WE ASK that you do not accept this type of campaign literature as truth. The very fact that it is appearing above the signature of the vague "Good Government Committee" should warn those who receive it to beware.

WE TOOK THE TROUBLE to consult the record of the House of Representatives . . . and then to eliminate the possibility that we might be in error in checking this source, we had the United Press Springfield bureau do the same thing. Our findings coincide.

HERE ARE A FEW EXAMPLES of the misstatements.

HOUSE BILL 1143—Mr. King

JOHN DEERE... The Quality Name in Farm Equipment

no miserable Mondays...
when you have Automatic Laundry Appliances!

You'll forget what "blue Monday" means . . . when you have automatic appliances to take the work out of washday! Then, you'll just toss clothes into the washer . . . and they'll be sudsed clean, rinsed, and spun. When the washer automatically turns itself off, you'll simply put the clothes into the dryer . . . where they'll fluff-dry automatically! And all that's left is sit-down ironing . . . finished in no time at all!

You see, no more up-to-your-elbows in hot water . . . no more lifting heavy, steaming clothes. And you won't have to worry about "good drying" weather . . . you'll just be a step away from the sunshine in your dryer. Best of all, you can wash any hour of the day or night you like . . . and never, never have that "blue Monday" feeling when you've finished!

Many At Stratton Rally in Joliet

Hundreds of Will County Republicans applauded William G. Stratton last Saturday night at the Stratton for Governor rally held in Joliet.

standing young men in public life, William G. Stratton, the present State Treasurer, has compiled a record of public service almost unique in the history of Illinois.

He was graduated from the University of Arizona with a de-

gree in Political Science in 1934, at the age of 20.

First elected to the Congress of the United States from the State-at-Large in 1940, Stratton was the youngest Representative ever elected from Illinois, and the youngest member of the 77th Congress. Following this two year term he was elected state treasurer, and became the youngest man ever elected treasurer of the State of Illinois. In 1944, he volunteered for service in the United States navy in World War II, and served in the Pacific theatre of operations.

Returning to civilian life in 1946, Stratton successfully sought the Republican nomination for Congressman-at-Large, and subsequently was elected to the Congress for a second time. In 1947, while serving in this 80th Congress, Mr. Stratton was chosen by the National Advertising Club of New York City, as one of the top 10 outstanding young men in the United States.

In 1950, without organization backing, Stratton emerged victorious in the Republican primary race for state treasurer. In the election in November 1950, he defeated his Democrat opponent by nearly 400,000 votes, carrying 95 out of the 102 counties, including Cook.

Upon being inducted into the office of State Treasurer in January 1951, Stratton immediately set about to place the office on a business-like basis. One of his first official acts was to turn back to the State of Illinois two of the three automobiles assigned to his office.

His first directive to all employees in the treasurer's office was to the effect that he "would not tolerate the collecting of kick-back monies from employee's pay, for the purpose of gathering campaign funds. I have never permitted such practices in any public office that I have ever held, and do not propose to start it now," he said in his letter to persons working for him.

One of his outstanding business-like moves upon taking office was when he submitted the budget for the operation of the treasurer's office for the two year biennium 1951-52. To the amazement of nearly everyone, Stratton presented a budget calling for nearly \$100,000.00 less than his predecessor.

Stratton, in this unprecedented move stated publicly that "people are tired of paying exorbitant taxes for extravagant management in public office. We believe this reduction in our operating budget is a good example for others to follow. It certainly is a step in the right direction."

Stratton is married and is the father of two children. He resides at Morris, Ill.

Doctor's Hobby

Lesson for March 30, 1952

DOCTOR Luke is a man to whom we are all indebted. Without him, we in the church would have lost some of our finest hymns, the "Magnificat" and the "Nunc Dimittis;" without him we might never have heard of that first Christmas night when the shepherds watched and the angels sang. He was the only Gospel writer who remembered to tell us those matchless parables, the Lost Sheep and the Prodigal Son, and many another.

Dr. Foreman

It is only from him that we know of Jesus' prayer at Calvary,—"Father, forgive them; they know not what they do." Furthermore, it is only Luke who conceived and wrote the book of Acts.

Some Hobbies Are Famous

THE interesting thing is that Dr. Luke was not a professional writer. He was a professional physician. All the writing he did was what we today might even call a hobby; that is, he got no money for it so far as we know, he just wrote because he loved to write.

Very likely he was a good doctor; he is called the "beloved physician," and we hope that enough people who loved him also paid their bills promptly so that he could make his living. But it was not the doctoring that endeared him to the church of Christ.

It was what he did in his spare time, it was his missionary work and his writing, it is the Gospel of Luke and the book of Acts that are his main claim to fame.

Luke is not the first man nor the last to accomplish more by a "side-line" than by his main job. We remember David in the Old Testament, whose rise to power began not with his sheep-herding, which no doubt he did to perfection, but with his music, which his father may well have thought a waste of time. We remember Marcus Aurelius the emperor not for his military campaigns, which were masterly, but for the "meditations" he wrote in snatches of spare time on those campaigns. We remember the Apostle Paul not for the churches he founded (most of which folded) but for the dozen or so letters he managed to squeeze into his busy evenings.

Other Doctors

LUKE was not the last Christian doctor who has found in what, for some, might be a "side-line" his finest means of service and best source of happiness. Dr. Howard Kelly of Baltimore was a cancer specialist of no small fame; but he was even better known as a scientist who not only saw no conflict between science and religion, but who brought his skill and his science to the service of Christ.

There was another doctor, a surgeon in a midwestern city, not many years ago, who was ready to retire. He had enough to live on in comfort, and the life of a successful surgeon in a great city is a wearing one. But instead of retiring, he went out to China, and in a remote province he spent his "retiring" years at his own expense, hardly knowing a word of Chinese, but having the time of his life and rendering himself if possible more nearly indispensable out there than he had ever been back in the states.

Again there was the surgeon Alexis Carrel, who with another scientist first succeeded in keeping living tissue (a chicken's heart) alive for years beyond the time when it "should have" died,—a surgeon who also believed in the power of prayer and whose book "Man the Unknown" is valuable as combining the scientific and the Christian view of man.

Or there was Dr. I. J. Archer of Chicago and North Carolina, who operated two sanitariums more easily than some doctors can run one office, and yet who found his life's deepest satisfactions in the Sunday school class he taught for years.

Life Is More Than Making a Living

MANY others besides doctors have made the same discovery. What is a "hobby," after all? It can be only an elaborate twiddling of the thumbs, something to "kill time"—horrible thought! It can be something done merely to relieve nervous pressure. It can be something not really worth doing.

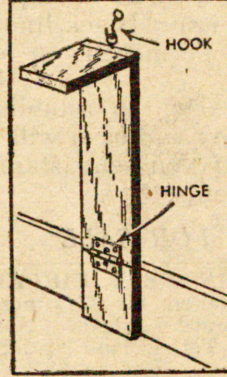

But what Dr. Luke found, countless others, including some readers of these lines, have also found: that even when we have to spend most of our time making a living, we can dedicate our "spare" time, under God, to making life.

Folding Step in Closet

INSTEAD of carrying a chair or stool into a closet to reach a high shelf, install a folding step like the one illustrated. It is made in three parts. One end is attached to the baseboard with

screws or nails. Note that this end is hinged to the tread portion of the step so that the device can be folded against the wall and held with a hook when not in use. (Illus., courtesy Popular Mechanics.)

Any more than 10 grams of a good antibiotic in a ton of feed is unnecessary and expensive, says a University of Illinois livestock specialist.

Heisner-Helenhouse Rite at St. Jude's

St. Jude's Catholic church in New Lenox was the scene of the wedding of Miss Bernice Julia Ann Heisner, daughter of Mr. and Mrs. Alfred Heisner, 209 Haven Avenue, New Lenox, and Pfc. Donald Lee Helenhouse, son of Mr. and Mrs. William Helenhouse, Front Street, Mokena.

Rev. Denis Hall officiated at the double ring ceremony and High Mass at 10 o'clock Saturday morning, March 22. Mrs. Harold Griffin played traditional wedding music at the organ.
 The bride was wearing a white ballerina length gown with long sleeves, a high neck and scalloped peplum. Her head piece was a small shell bonnet covered with white flowers, and holding in place a small white veil. She wore a pearl necklace, and pearl ear rings and carried a bouquet of white orchids.

Miss Dolores Carter was the maid of honor. She wore a yellow ballerina length dress with a Peter Pan collar, a full skirt, and cape sleeves.

Miss Kathryn Hamrick of Joliet was the bridesmaid and was dressed identical to the maid of honor, only in blue. They both carried bouquets of pink snapdragons.

Oscar Heisner, brother of the bride, was best man. George Smullins, of Lemont, cousin of the bridegroom, was usher.

Mrs. Heisner, mother of the bride, was dressed in navy blue crepe with matching accessories. Mrs. Helenhouse wore a black crepe with rhinestone trim and matching accessories. They both wore orchid corsages.

A wedding dinner was served in the home of the bride's parents at noon for the bridal party, and immediate families. Decorations were in yellow and blue. Over 200 guests attended the reception at 7:30 at the Lions Den. The bridal table was decorated with a large wedding cake and flowers. Miss Rita Waldvogel cut the wedding cake.

The new Mrs. Helenhouse is employed at the Rock Island offices in Chicago and the bridegroom, who is stationed at Camp Lejeune, North Carolina, with the Marines, has been home on 20 day leave. He has been in the service for 6 months and attended Signal school in San Diego, Calif., where he studied Teletyping. The new bride plans to reside with her parents until her husband's release from service.

Guests attending the wedding were from Blue Island, Joliet, Midlothian, Peotone, Frankfort, Mokena and New Lenox.

Former Marley Girl Weds at San Jose

The marriage of Ramona Jane Moore and Warren Neil Campbell was solemnized March 16 at San Jose, California. The double ring ceremony was performed at 3 o'clock in the Grace Baptist church with the Rev. Henry Croes officiating.

The bride is the only daughter of Mr. and Mrs. Mervin Moore of Santa Clara, formerly of Marley. The groom is the son of Mr. and Mrs. Lawrence Curry of Summerville, Mass.

Escorted to the altar by her father, the bride wore a ballerina length gown of imported Chantilly lace with Peter Pan collar, and long tapering sleeves. The illusion veil, elbow length, was held in place by a Chantilly lace and orange blossom tiara. The bride carried a single white rochid.

The maid of honor, Miss Joan Smith, was attired in a ballerina length gown of iridescent nylon net over taffeta, with hat to match and white accessories. Miss Marilyn Needham and Mrs. Robert Browne were bridesmaids, and wore gowns identical to the maid of honor except in color; they were a plum shade. The attendants carried purple orchids. Karen Coats was junior bridesmaid and little Elecia Johansson was flower girl. They wore identical ballerina length gowns of aqua taffeta, with their hair in coronet braids. They carried baby orchids in the form of a fan.

Robert Duygan of Carmel-By-The-Sea performed the duties of best man, while Jerry Gibner and Paul Little were ushers.

For her daughters wedding, Mrs. Moore wore a navy blue redingote gown, with navy and pink accessories. She wore a corsage of pink rosebuds. The bride's maternal grandmother, Mrs. Mary Marshall, of Marley, attended the ceremony in gray satin with black and gray accessories. She wore a corsage of pink camellias.

The bride attended schools in Marley and San Jose, and after graduating from high school attended Heald's Business college, and is employed as secretary in the offices of the Insurance Company of North America.

The groom is a graduate of Summerville High school, and is now serving in the Navy, being stationed at Moffet Field, Cal., in the Air Squadron.

When the couple left on their wedding trip to Las Vegas, Nevada, the new Mrs. Campbell wore a navy and white faille coat dress with navy and white accessories.

Immediately following the ceremony, a reception was held in the church parlors to more than two hundred guests.

Later a buffet supper was served to 125 guests in the home of the bride. Relatives and friends attended from Marley, Las Vegas, Nevada, Berkeley, Petaluma, Oakland and Palo Alto, Calif. When the newlyweds return they will be at home to their friends in the Amaral Apartments, Lexington street, Santa Clara, Cal.

To Vote for County School Trustees At April 8 Primary

Under a newly adopted state law each county is to name a seven-member board, the members serving without remuneration and with no more than one trustee from any one township. In order to vote at the April 8 primary for these county school trustees, the voters need not be registered nor are they required to declare themselves. The ballot on which the candidates names appear will be separate from the Republican and Democratic ballots.

Candidates who have filed from this area are R. Melvin Whitaker and Harold L. Patterson, both of New Lenox.

When the new board meets to organize they will choose their own president and straws will be drawn to determine the length of term for each, two members drawing one-year terms, two drawing two-year terms and three drawing three-year terms.

The trustees of the seven-man county board will handle all matters pertaining to elementary school boundaries.

Eddie was employed as a musician at a restaurant in Pontiac where he lived.

Hens that have free access to range usually have darker yolks, says Illinois College of Agriculture. Also hens on range show more variation in yolk color—some dark and some light. Consumers want eggs that have the same medium color.
